

Potential 'Make' Projects - General Information:

DISCLAIMER:

The contents of this web page are for informational purpose only, enabling companies/ public to have a quick and easy access to information. Information contained in this web page is for planning purpose only and should not be construed as a solicitation nor should be construed as an obligation on the part of Ministry to make any purchases.

1. Under the 'Make in India' initiative of the Government, a list of potential 'Make' Projects has been identified by the Service Head Quarters (SHQs) in consultation with the other stakeholders in the Ministry. These projects are being contemplated to be undertaken as per Make-I or Make-II sub-category of 'Make-Procedure' given at Chapter-III of Defence Procurement Procedure(DPP) -2016. DPP-2016 is available on MoD website at link <http://mod.gov.in/writereaddata/DPPnew16.pdf>
2. Brief summary of the identified items containing tentative quantities, broad specification/ QRs, expected timelines for induction of these items by the Services are available in the links given in this website.
3. Interested Indian companies may carry out preliminary assessment regarding their technical capability to undertake these projects and economic viability of the project and respond to the Questionnaire being uploaded time to time in respect of various projects.
4. The potential 'Make' projects have been divided into two lists:
 - a. **List-1** contains the potential 'Make' projects which are being progressed for accord of Acceptance of Necessity (AoN) by SHQs as per Make procedure.
 - b. **List-2** contains the projects which are at exploratory stages where the process of preliminary Feasibility study is under way.
5. The list of Potential 'Make' projects being uploaded on this website is dynamic in nature and the projects which are relevant to the requirements of Indian Armed forces will be displayed.
