TO WHOMSOEVER IT MAY CONCERN

Department of Defence Production has communicated the following to the Director, Federal Service for Military –Technical Cooperation, Russia (FSMTC), Moscow vide its D.O. letter No. 26(9)04/DEO/Official Delegation /MAKS-2015 dated 12th January, 2016:-

Russian OEMs are asking for an authorization from Indian Ministry of Defence to any particular Indian company for engagement or collaboration with Russian OEM. We do not have any such system to nominate or authorize a particular Indian company for forging partnership with Russian companies. Any company incorporated under the Indian Companies Act, 2013, or any Limited Liability Partnership (LLP) incorporated under the Limited Liability Partnership Act, 2008, or any partnership registered under the Indian Partnership Act, 1932, with the Registrar of Firms of any State of India, or any sole proprietary firm is eligible to work with Russian companies. The certificate of incorporation/registration will be issued by the relevant registering authority. In the case of companies, it will have its Memorandum of Association and Articles of Association. An LLP or partnership will have an Agreement.
